

Would you like to enjoy a relaxing stay in the far south of Sardinia?

St. Antioco- Sardinia

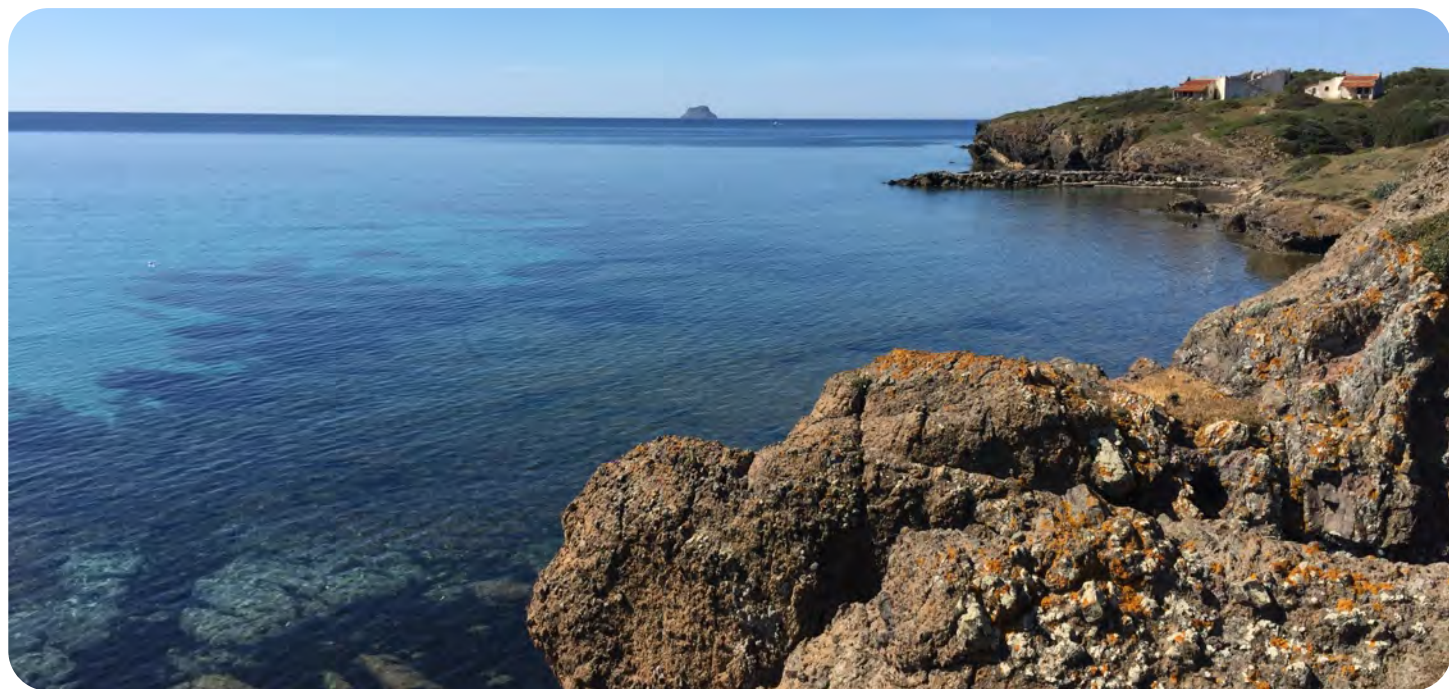

Have you thought about having a relaxing vacation on an island to the far south of Sardinia?

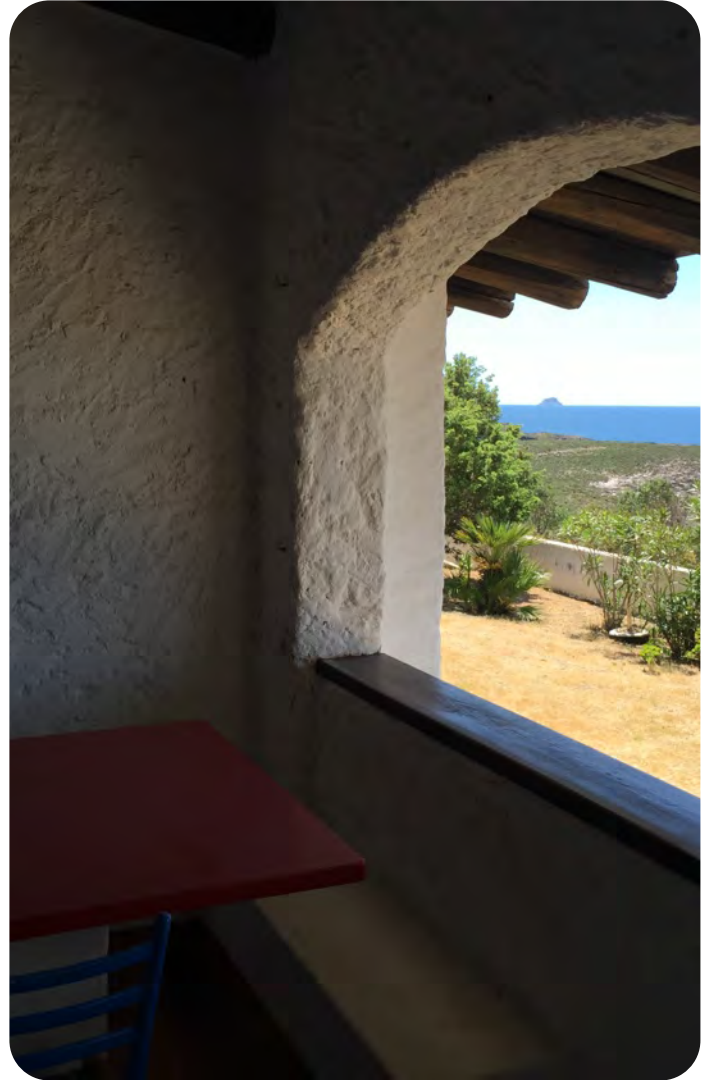

We are renting a traditional Sardinian Villa on the verdant isle of Sant'Antioco in the south of Sardinia. The isle of Sant'Antioco, linked to the main island of Sardinia by an artificial isthmus is just two hours away from Cagliari airport. The house, a luminous white villa is placed atop of a hill with a splendid view over the Mediterranean Sea facing Africa.

INDEPENDENT VILLA DESCRIPTION LOCATED IN CALA SAPONE

- 9 places
- 4 bedrooms
- 2 bathrooms
- Wi-Fi access 2 minutes walk from the house
- 1h30 from the closest airport Cagliari Elmas
- Closest sand beach 10 minutes walk, 2 minutes by car
- Situated on top of a hill with a super panoramic view on the Mediterranean Sea

Sant'Antioco

These days Sardinia may be best known as the site of Villa Certosa, Silvio Berlusconi's seaside palace. Sant'Antioco is the antithesis of that celebrity playground: a tranquil backwater, with two quaint ports, a smattering of ruins dating back to pre-Roman times, sweeping Mediterranean savannah, the region's most unspoiled beaches, its isolation, simplicity and wildness.

Sant'Antioco may be lacking in glamour, but it is rich with history. The island has been populated since prehistoric times, and, in the eighth century B.C., began to play a key role on Mediterranean trade routes developed by the Phoenicians. The Romans occupied the island in 238 B.C., and constructed temples, viaducts and an artificial isthmus linking Sant'Antioco — then called Sulci — to the mainland.

The weather is fine all year round and the sunny days start from March to November . No question that one of the most common reasons for taking a trip to Sardinia is the beauty of its sea and beaches.

The island of Sant'Antioco has gorgeous ones and there are more all around it, on the island of San Pietro and in the gulf of Palmas, as well as on the western coast of Sulcis Iglesiente.
